It is with great sadness to let you know that our colleague and friend, John Thompson (JT), passed away over the weekend.

JT joined as a Manager with North Rock Enterprises, the precursor to Codan Services Limited on 30th June, 1986. This June he would have given us 25 years of service.

JT will be missed greatly by all of us. Our condolences go out to his wife, Denise and his daughters, Erika and Nina.

E. John Thompson has seventeen years experience as a Corporate Manager at Codan Services Limited. He is responsible for the management of a portfolio of exempted companies where his background knowledge of law and accounting are particularly relevant.

He has a National Diploma in Business studies from Cornwall Technical College, England and went on to spend two years at the University of Kent, England studying economics and accounting, economic history, politics, methodology and law.
